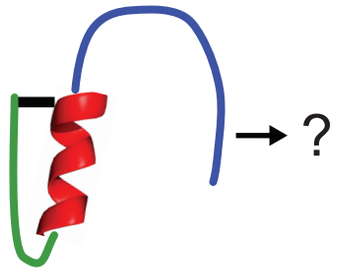
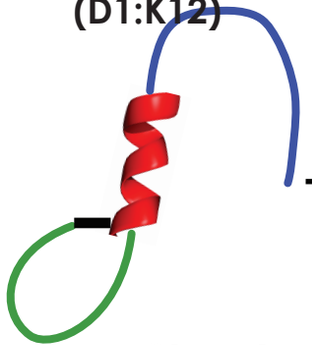
Lock N-terminus to helix (K1:D23)



→ ?

Structure 1

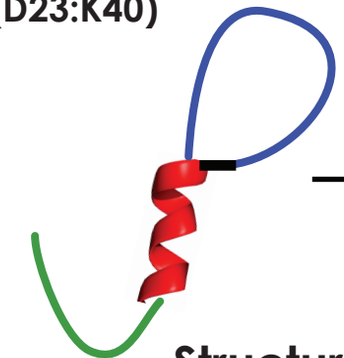
Block helix:N-terminus interactions (D1:K12)



→ Rate of assembly > WT

Structure 2

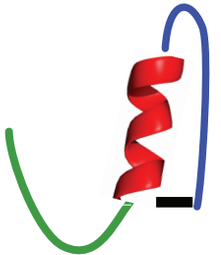
Block helix:C-terminus interactions (D23:K40)



→ Altered assembly

Structure 3

Lock C-terminus to helix (E11:K40)



→ Rate of assembly >> WT

Structure 4
